Your One Stop for Institutional Equipment and Supplies Worldwide

Core Competencies

- State and federal government agency purchasing.
- Providing excellent customer service, competitive pricing and top-quality products to our customers worldwide.
- IDIQ contracting, RFQ process, GSA, and APO, FPO & DLA shipping.
- Delivering state of the art furniture, education supplies and athletic equipment through our industry leading partners.

Differentiators

- Exclusive distributor for Carolina Biological Supply Company and preferred distributor for School Specialty and Lakeshore Learning to DoDEA.
- Partnerships with top manufacturers to meet the needs of our customers.
- Relationships with a variety of shippers yielding highest reliability and the best value. Experts in DLA to DoDEA and ocean and air freight shipping, customs navigation and providing installation and debris removal overseas.
- Communication. Superior customer service. Integrity and trust in all operations. Support for our customers' missions.
- Woman Owned. Small Business.

Current & Past Performance

- Carolina Biological Supply exclusive contract providing curriculum and biotechnology kits to DoDEA schools, both CONUS and OCONUS under a 5+ year award.
- Current DoDEA BPA contracts for school furniture, preschool supplies and physical education equipment. Successfully completed several furniture (delivery and installation) contracts with DoDEA, both CONUS and OCONUS.
- Library of Congress book truck and shelving multi-year contract providing an annual supply of customized book trucks and shelving.
- Virginia state contracts for large and small furniture projects for elementary through college level facilities, public libraries and a State Patrol building.
- 3-year Baltimore City Schools contract for outdoor furnishings.
- 5-year Idaho Veterans Home multiple facility contract for healthcare furniture.
- Current GSA office furniture contract.
